Learned to teach snowboarding, how to run a snowboard school, what to do about slacker employees...

Siren Interactive · 1998-2004

Learned to build CD-ROMs, websites, interactive kiosks, DVDs...

Echelons

Ultimate Players Association

I've been playing ultimate since 1979; a UPA member since 1986. Still learning new facets of the sport.

American Association of Snowboard Instructors

Member since 1997, certified level 2 instructor. I learn more about teaching and riding every time i go out.

Et Cetera

Teco and Seera

I've learned that i love my two dogs dearly and that they keep me happy.

2002 Photography Project

I learned a lot about what i like to take pictures of. This project (and much more) can be seen on my website: www.blankpub.com. This project has sparked my interest in art photography, and there's always more to learn in art.
